The famous 008 BOND VILLA is tempting for so many reasons...not least because it is set against the spectacular backdrop of the 12 Apostle Mountain range on one side and the Atlantic ocean as far as the eye can see on the other. The architectural masterpiece is sophisticated and luxurious and yet keeps its feet firmly on the ground as a welcoming holiday home has a full time housekeeper/cook, for your convenience. The property is conveniently located on the slopes of Camps Bay, close to its palm fringed beach with azure blue water and all the bars and cafes found on the Camps Bay strip.
